

Alpha HPA Limited (Group) Sustainability Performance Scorecard issued by EcoVadis

Alpha HPA is pleased to achieve a bronze medal sustainability rating from independent ratings agency, EcoVadis. This is a fantastic achievement, placing Alpha HPA in the 72-percentile range of companies rated by EcoVadis.

The rating follows a thorough review of Alpha's sustainability policies and practices in relation to the environment, labour and human rights, ethics, and sustainable procurement. A bronze medal rating is considered a strong result for a company of Alpha's size and growth stage.
